Quarantine Area

The Quarantine area consists in a theatre/concert hall. Here you will find many chairs, possibility to rest. There are spaces where competitors can use their own mats. Competitors will have water, fruits, coffee available. The toilets are located inside the quarantine area, both inside and outside (ecological toilets).

- From the quarantine, competitors and officials can go to the pre-start area only with the organizers minibuses, driving time 10-12 min. The schedule of these minibuses will be displayed at the quarantine location.
- Drop off baggage area will be both in the quarantine area and in the pre-start area.

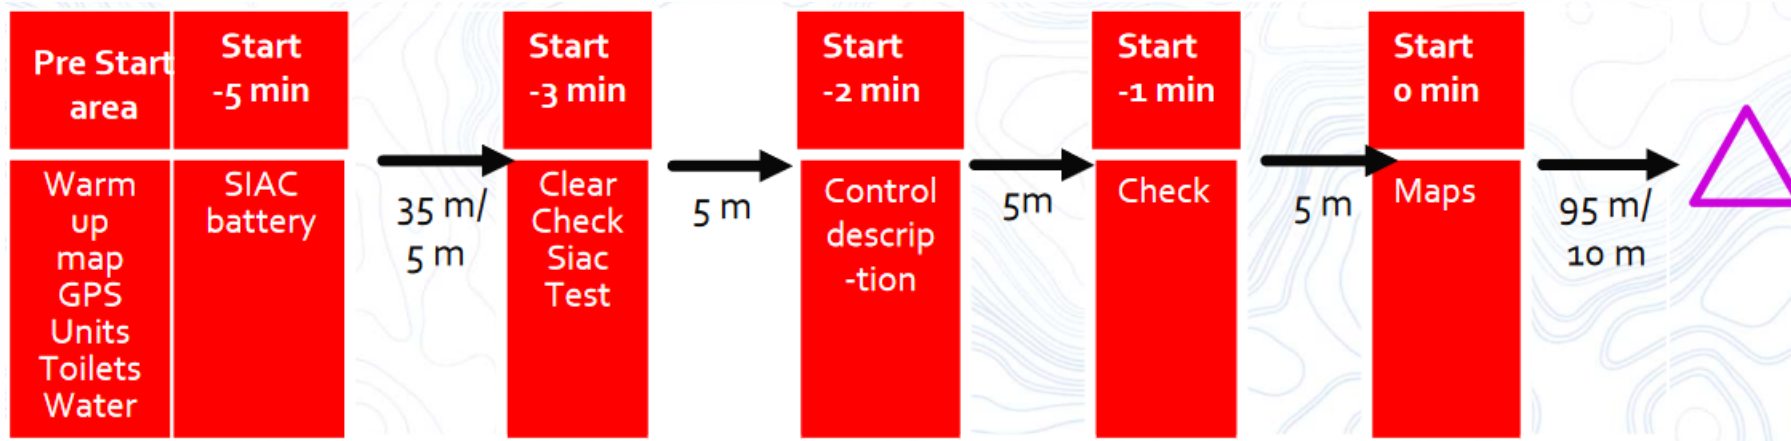

Prestart

It is located about 10 minutes from the quarantine area, but each competitor will arrive at the pre-start at least 50 minutes before his start.

- Baggage drop off will be both in the quarantine area and in the prestart area.**
- Warm up map will be available in the pre-start area.**
- Toilets and water will be available in the Prestart Area.**

Start procedure

Questions and answers - emails

Q: Are we guaranteed official transportation to the remaining forest competitions? Because today it didn't work...

A: Yes.

Questions and answers

Q: In prestart there are tents for coaches?

A: Yes there are tents. You can put your own tents also.

Questions and answers

Q: Can coaches return to quarantine from prestart?

A: Yes they can use minibuses to return in quarantine, with the going down mini buses.

They can continue taking the shuttle mini bus that carries the baggage dropped off here, towards arena.

Questions and answers

Q: Can we get faster information if delays happen?

A: Yes, please text +40767639259 with you country s name and we ll make a whatsapp group.

Questions and answers

Q: Is there possible to equalize the advantages that late starts have in the high grass areas?

A: As far as it is possible, we will have 3 runners making tests in the morning.

Questions and answers

Q: About dogs, can you guarantee that there will not be any chasing dogs?

A: I think we can, as there are no more sheep activity in the competition area.

Questions and answers

Q: Is it possible to leave quarantine later? 50 minutes in prestart seems too long.

A: No it is not possible. If you delay getting in your minibus, you risk losing time and not fit in the next buses.

Questions and answers

Q: Is it possible to put all maps in plastic bags? If you do so, can you guarantee that plastic bags are clear?

A: No it is not possible. Optionally, bags will be available in start. Bag samples will be available in quarantine so that you can decide if you use it.

Questions and answers

Q: JWOC Tour controls will be at same time in area of competition ?

A: YES they will be.

Questions and answers

Q: Can you make sure time clocks in start will indicate time properly ?

A: YES.

Questions and answers - emails

Q: It's written in the bulletin that lunch prepared by official accommodation will be available at the arena after the race. For athletes starting late and coaches, is it possible to have lunch packet for quarantine ?

A: We will instruct the volunteer travelling with shuttle bus that brings luggage to arena that, before departing to quarantine, to receive the sealed meals, with labels on them. It is your job to deliver it to the luggage pick-up area and label them.

Questions and answers - emails

Q: Will there be a spectator control for the middle distance or some controls at the end that others can see and have some cheering for the Team?

A: Last control will be visible from arena. Marked route towards finish would be enough to cheer (see arena map).
